Dear Emma Pink

Are you busy later? I need corrections made on the design.

Are you busy later? I need corrections made on the design project. Can we try some other colors? Moreover, there are more projects lined up charge extra the next time. Anyway, you are the designer; you know what to do. I'm not really sure, try something else. I was wondering if my cat could be placed over the logo in the flyer that's great, but can you make it work for 2, please? I want you to take it to the next level.
